National Association of State Contractors Licensing Agencies Offers Scholarship Opportunity for Future Leaders in Construction

The National Association of State Contractors Licensing Agencies (NASCLA) is accepting applications for the 2022 Contractors Scholarship Program. The scholarship program offers students an opportunity to pursue licenses, certificates, and degrees in the construction industry. Funded by NASCLA, the scholarship program prepares future leaders for gainful employment in the construction field.

The scholarship program is open to part-time and full-time students 18 years or older pursuing a degree, certificate, or credential in a construction discipline or construction-related studies. Candidates will need to provide a letter of recommendation and a written or video essay. Applications should reflect creativity, innovation, passion, and the ability to communicate.

NASCLA will award three recipients a monetary prize, an industry mentor, and a complimentary invitation to the annual conference. Winners receive industry-wide recognition, networking opportunities, and the option to participate in a moderated panel discussion at the upcoming NASCLA 2022 Annual Conference.

Applications are due by June 30, 2022. NASCLA will announce winners by July 31, 2022.

The Contractors State License Board is a proud member of NASCLA, while sharing their mission of promoting the best practices and educating future leaders of the construction industry.
