

IMPORTANT NOTICE REGARDING CONVICTIONS PLEASE READ CAREFULLY

Failure to accurately report a conviction can result in an application being denied. In this notice and on the application, the term “conviction” includes pleading guilty or no contest to (nolo contendere) or being convicted by a court of any misdemeanor or felony in this state or elsewhere.

As part of the Contractors State License Board (CSLB) application process, you must be fingerprinted if you have not been fingerprinted by CSLB before or if your previous fingerprint record was purged by CSLB due to a voided application or some other reason. After an application is accepted by CSLB as complete (also known as “posted”), each individual listed on the application will be sent instructions on the process for obtaining and submitting fingerprints, as required by law.

Your fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. **If you have ever been convicted of a crime, your criminal record information will be reported to CSLB.** This includes DUIs and other Vehicle Code violations resulting in a misdemeanor or felony conviction. Even if you have had your record expunged (charges reduced or dismissed), the past conviction will still be reported to CSLB and must be disclosed on the application.

If you have ever been convicted of a crime (misdemeanor or felony), you MUST answer “Yes” to the criminal conviction question on the application and provide a detailed explanation of the circumstances resulting in your conviction. To help ensure that you provide the required information, you should complete and submit the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB’s website.

Applicants with criminal convictions are not automatically denied licensure – each application is reviewed individually based on applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant.

For rehabilitation evaluation, pursuant to the California Code of Regulations Section 869, CSLB is generally looking for **three (3) years** to have passed after a misdemeanor conviction and **seven (7) years** to have passed after a felony conviction, without further violation of law. These timeframes are calculated from the applicant’s date of release from incarceration or from the end of probation if no time was served, and are subject to reduction or extension based on several factors, including the nature of the applicant’s conviction history as a whole. In addition, any type of conviction could be considered substantially related to the qualifications or duties of a contractor license when evaluated in the context of the applicant’s entire conviction record.

Failure to accurately report any and all convictions is falsification of your application and is grounds for denial. If your application is denied, you will be prevented from filing another application for a minimum of one (1) year, up to a maximum of five (5) years.
