Contractor Notification of Home Improvement Salesperson Association

Pursuant to Business and Professions Code (BPC) section 7154, contractors must notify the Registrar of the Contractors State License Board (CSLB) in writing of the employment of a registered home improvement salesperson (HIS) **prior to the HIS beginning work for the contractor**. Failure to report the employment of the HIS may result in disciplinary action by the Registrar. By submitting this completed form to CSLB, the contractor will meet the notification requirement of BPC section 7154. **The date the association request is processed by CSLB will be the effective date on which the HIS will be associated with the contractor's license.** The following are exempted by BPC section 7152 from being registered as HIS, and, therefore, do not need to be included on this form for notification:

- Salespersons whose sales are all made as a result of negotiations initiated by the prospective buyer at or with a general merchandise retail establishment that operates from a fixed location where goods or services are offered for sale;
- A person who contacts the prospective buyer for the exclusive purpose of scheduling appointments for a registered HIS;
- A bona fide service repairperson who is in the employ of a licensed contractor and whose repair or service call is limited to the service, repair, or emergency repair initially requested by the buyer of the service; and
- The following official personnel listed in the CSLB's records for a contractor's license: qualifying individuals; general partners listed on the license record of a partnership; officers of record of a corporation; and managers, members, and officers of record of a limited liability company.

Please be aware that when an HIS is no longer employed by a contractor, the contractor must notify CSLB **within 90 days** after the date on which the HIS ceases to be employed. The contractor must complete and submit the Contractor Notification of Home Improvement Salesperson Employment Cessation form that is available on CSLB's website. Failure of a contractor to make the required HIS notifications to CSLB is grounds for disciplinary action.

Please type or print neatly and legibly in black or dark blue ink. There is no fee for this notification. For notifications of more than one (1) HIS, please complete and submit an additional form for each.
