If a FULL FILE is ordered in a month other than January (February, March, April, May, June), the January Full File will be provided. If a FULL FILE is ordered in a month other than July (August, September, October, November, December), the July Full File will be provided. To ensure you have the most current information, you also will be required to purchase all subsequent monthly Update Files.

For example: If a FULL FILE is ordered in April, the January Full File (with data through December 31st of the prior year) will be provided. Update files would then be required to obtain any license changes for the months of January, February, and March.

SUBSCRIBER INFORMATION

FULL FILES are produced the first weeks of January and July. A FULL FILE is required to obtain all license records.

UPDATE FILES are produced the first week of each month and provide changes which occurred to a license within the previous month. Update Files must be ordered to update the records provided in the Full File.

IMPORTANT: January LICENSE MASTER FULL FILE Option

If you are an Update File subscriber, you now will receive the LICENSE MASTER FULL FILE in January **UNLESS WE ARE OTHERWISE INSTRUCTED** in Section 11 on the Order Form. The LICENSE MASTER FULL FILE contains 700,000+ records. By receiving the LICENSE MASTER FULL FILE once a year, subscribers are able to begin the year with the most current information available. Update Files then may be ordered on a monthly basis to update the records.

You may pre-pay for **Updates** on a quarterly, semi-annual, or annual basis by FISCAL YEAR (July through June). For more information, contact the Data Services Unit at (916) 255-3975.
